The Hero Comes

In a flight of lightning
Crossing the seven oceans
Five heroes came
Not telling others of the anger within
Smiling faces yesterday cast aside
Run! Hell's jungle
Decide! The ending fist
Me and you
You and me
Press on to the future where flowers bloom
Ah! Steel scam (?)

When the north wind storms
Crossing seven oceans
Five heroes came
To fight with determination within
For peace that was cast away yesterday
Fight! Egos (?) conspiracy
Decide! The frenzied finish
Me and you
You and me
The Earth's future is at stake
Ah! Steel scam (?)
